

Prevent your caravan's expensive ventilation hatch being toasted by the Australian Sun!

# Caravan Standard Vent Hatch Cover

Registered Design 201012378

- ☐ HW-VHC9 (size 228mm)
- ☐ HW-VHC11 (size 280mm)
- ☐ HW-VHC14 (size 355mm)

Ventilation hatches quickly become brittle and break due to exposure to UV radiation from the sun. This ingenious cover made from Canvacon 500E white polyfabric fits over your hatch to protect it from damage whilst allowing light through to the interior of your RV.

- Protects against UV light, dust and dirt.
- UV stabilised LDPE, Temp range -30C to +70C, 3 year UV, 3 year delamination warranty, dirt repellent LDPE coating.
- Specially designed vent cover totally encloses top plastic wind up lid and is tied down with velcro straps.
- Can be left on permanently - does not need to be removed for travel - simply wind down into closed position.
- Easy removal for cleaning or traveling.
- Various sizes available - can be made especially for non standard sizes on application.
